For 2 years a man was having an affair with an Italian woman.

One night, she confided in him that she was pregnant. Not wanting to ruin his reputation or his marriage, He paid her a large sum of money if she would go to Italy to secretly have the child. If she stayed in Italy to raise the child, he would also provide child support until the child turned 18.

She agreed, but asked how he would know when the baby was born.

To keep it discreet, he told her to simply mail him a post card, and write 'Spaghetti' on the back.

He would then arrange for the child support payments to begin.

One day, about 9 months later, he came home to his confused wife.

'Honey!,' she said, 'you received a very strange post card today.'

'Oh, just give it to me and I'll explain it later,' he said.

The wife obeyed and watched as her husband read the card, turned white, and fainted.

On the card was written:

Spaghetti, Spaghetti, Spaghetti, Spaghetti, Spaghetti.

Three with meatballs, two without.

Send extra sauce.

How come it takes so little time for a child who is afraid of the dark to become a teenager who wants to stay out all night?

UNANSWERED PRAYER The preacher's 5 year-old daughter noticed that her father always paused and bowed his head for a moment before starting his sermon. One day, she asked him why. 'Well, Honey,' he began, proud that his daughter was so observant of his messages. 'I'm asking the Lord to help me preach a good sermon.' 'How come He doesn't answer it?' she asked.
